

Facebook Company Page Creation

Dalley Marketing Services will create your National American Life Plan company Facebook page based on best practices. Please provide the information below and I will be happy to set up your page.

Information needed to create the Facebook page

1. Business URL/ Website Address
The NALP website will be used if a website address is unavailable.
2. Address
3. Company phone number and email address
4. Admin Access: To create your page, I, Shanda Harris, will need admin access to the page. Please feel free to provide your Facebook username and password to me , so that I may set up your Facebook company page.
5. Profile picture <ul style="list-style-type: none">• Send a professional headshot or nice photo of yourself
The fee is \$200 which includes setting up your Facebook page, review of the page with you and instructions on how to increase your followers/Likes. Submit payment via PayPal to Dalley Marketing Services (Link). A PayPal account is not required, just a credit card. Also, an invoice can be sent to your inbox if you choose.
Creation time: Please allow 5-7 business days for the Facebook page to be created. However, depending on orders, the page may be created quicker.
Send this document to dalleymarketingservices@gmail.com and I will be happy to create your Facebook company page.
